CHOCO Y SUS CÓMPLICES!

Get ready for an unforgettable night with CHOCO Y SUS CÓMPLICES! Founded in 2016 by Eric Durrer, widely recognized as one of Europe's greatest conga players and a renowned composer, this sixteen-member band brings together some of the finest musicians of today's Latin-European scene. Based on the traditional line-up of Charanga orchestras (violin, cello, and flute), the ensemble is completed by four talented singers, a powerful horn section, and drums. For the Summer Vibes event, a special six-member lineup will bring CHOCO Y SUS CÓMPLICES' signature energy and vibrant Latin rhythms to the stage.

Blending Timba, Charanga, Salsa, Jazz, Funk, Afro-Cuban, and Brazilian influences, CHOCO Y SUS CÓMPLICES creates an explosive musical fusion of rhythm, energy, and passion, guaranteeing an unforgettable live experience.

Come dance, feel the rhythm, and celebrate the spirit of Latin music!
